there, these very wonderful people who are writing the letters will be satisfied and someone else won't go out and inform them, again, unthinkingly or some way or another that they haven't been taken care of. I want them taken care of once...

SENATOR KENNEDY: Yes. Yes. I am pleased that the question is brought up and I think we should act on it. If we had not been delayed and had to have a Public Hearing, it would have been passed by this body and gone on into Congress, I feel, which it should have been several weeks ago.

SENATOR DUIS: I thank you very much.

SENATOR KENNEDY: You bet.

SPEAKER: Senator Syas.

SENATOR SYAS: The Rhode Island law...I'm...Jack Rogers of the Legislative Council is having it sent to me. He called long distance to get it, but essentially what I understand it is, is at the conception if life and, of course, that's the addition that the Wyoming law has...oh, I guess...I mean the Rhode Island law. I have the Rhode Island law here. Only, it is not the one they passed about a week ago. You got it, too. Jack Rogers said he didn't have it. How could you? It only passed two weeks ago.

SPEAKER: Senator Marsh.

SENATOR MARSH: Just a reminder to the body that Rhode Island is a 90% a Catholic state and Nebraska is not and when we are making a decision regarding this issue, I think we should be aware that we are representatives of the state of Nebraska.

SPEAKER: Senator Kelly.

SENATOR KELLY: Mr. President, members of the body, I rise to support bringing the Resolution up ahead of LB 286, the abortion control law, as my mail is confused in this area that if you vote for the abortion control law that you are in favor of abortion, which I intend to vote for that law and I am not in favor of abortion. I would like to have my vote recorded in favor of this Resolution, so that it would be understood that I am not in favor of abortion but that I would
